

FRIENDS OF WARNER PARKS

You are invited to be a part of the **10th Annual Warner Parks Golf Scramble** benefiting The Friends of Warner Parks, hosted by Garth Fails. The event will be held at the Harpeth Hills Golf Course on **Friday, September 23, 2011.**

We are some of the few in a metropolitan area nationally that can boast of having three thousand acres of parkland for our enjoyment and recreation within a few minutes of our homes. Friends of Warner Parks is a fantastic group dedicated to the preservation and protection of the Warner Parks, and all proceeds benefit the Warner Parks and their educational programs. Thanks to the generosity of our sponsors and players last year was one of our most fun and successful tournaments to date. With your support and participation this year will be even better.

The format is 4 players per team. There are several contests including; the longest drive, longest putt, closest to the pin, closest to the creek and many more. The registration/warm-up starts at Noon with a 1:00p.m. shotgun start. There will be lots of wonderful door prizes and a chance to have your car detailed while you play.

Friends of Warner Parks needs your help and this event is one way to show support!

Here is a list of ways that you can participate:

1. Entry Fee \$150 per person or \$600 per team (includes green fees, cart, door prizes, beer and food).
2. For \$300, sponsor a hole and expose your business to 120 deep pockets
3. Join Friends of Warner Parks- Add a family membership for only \$30- individual \$20.

We want this to become one of the premier golf fundraising events in Middle Tennessee and we want you to join us this year. Please respond to this invitation, fill out the registration form, and mail it to the Friends office ASAP. This year we expect a full complement of 30 teams, so don't miss out on the fun. We look forward to seeing you there. Feel free to send this on to your friends & prior team members.
